Vabandage

Apologies to Lleyton Evert from Hut 5 who we unfortunately left off the hut list yesterday.

The first full day at Sõrve 2010 brought great laughs and a lot of sun for the elanikud at Sõrve. After powering through morning exercises and hut inspection (ülevaatus), the lucky campers made some delicious pirukad.

The fun didn't stop after lunch with all of A, B & C group participating in a folkdancing workshop with the help of the Sydney group "Virma-lised" (Northern Lights). Aitäh (thanks).
