What are you most looking forward to at camp?

- Big Game

LAPTU

With the help of largely superior numbers, extra wickets, favourable refereeing, a dying pitch and not having media on their team, the A-groupers were able to claim their maiden victory in the annual leaders vs. A-group sports game.

This takes the scorecard to leaders: 5, A-groupers: 1* over the past years. An appeal to the Federal Association & Institute of Laptu (F.A.I.L.) regarding the referee's late use of glasses to assist him in his judgement, has been lodged.

The referee in question (name withheld for safety reasons) has since gone into hiding for fear of violent reprisals and public outcry.
