THE SIMPSONS HIT SÕRVE!

HAPPY 16TH BIRTHDAY
ELLA RANNIKO!!!!

With Maggie lost, Bart, Lisa, Homer and Marge enlisted the help of the elanikud to help track down their lost baby.

What followed was a fun-filled trip through Springfield from Kamp Krusty, To the Quik-E-Mart and through Dr. Nick's surgery and Cletus's squalor.

The Sõrve children enjoyed a hilarious evening of events with the evening climaxing at the First Church of Springfield where Reverend Lovejoy delivered a beautiful rendition of "I Gotta Feeling" after young Maggie was found to be asleep and safe among the C-groupers.

We thank everyone for their effort especially the main organisers Sven, Katie and Maali.

C GROUP SWIMMING CARNIVAL

When the mercury rose yesterday, C-group cooled off with their very own swim carnival. With their oodles of noodles they competed in races, raft building and the all time favourite the diving competition where there were tricks and flicks, smallest splash and the biggest splash.
