Teisipäev 10. jaanuar

## The fun at Sõrve is heating up!

Our spordijuht has done an amazing job creating a fun filled day of back to back action. Whether you were enjoying kaljuronimine or suur kiik, playing foosball or rahvastepall, learning Eesti keel or laulmine or just going for a ride in a kanuu - everyone had a great day!

The day was topped off with some terrific skits which allowed everyone to show off their talents.

Always remember where you leave your items, otherwise you will be doing kümme pushups!
