

THE SOSIN

"Be prepared." - Scar, The Lion King

Issue 1, January 8 2018

TERE TULEMAST!

Bumper 5 page edition!

After 12 months, The Sosin and (to a lesser extent) Sõrve are back! It's been a lengthy hiatus, but I think we can all safely say we are happy to return to once again and get really really exhausted with friends and family. If you're new or not very observant, the Sosin is the ONLY daily news publication on Point Wolstonecroft, which caters to making sure you, the reader, are fully and completely informed about what's going on at camp. This year there are several exciting and new changes to the camp, including new games, new activities, and brand new Kasitoo! Yes! Not only that, but I've finally taken over the Sosin to use for my own agenda the good of the camp! So, with no further fanfare I'd like to welcome you to Sõrve 2018 and your first official issue of The Sosin!
