Quote of the Day:

Peter Maasepp:
"Sven is first aid, so if you're missing any limbs he'll put them back on for you with some sticky stuff."

Sõrve Poem

If I missed Sõrve
I'd be so sad
if I missed the big swing
I'd be so mad
I don't want to get a strike
so I won't be bad
But if I missed inspection
I'd be so glad.

The Sosin can also be...

A SWORD!!!!

*You know you're Estonian when...
Words like "veoauto", "täieõiguslik" or "jää-äär"
sound perfectly pronounceable to you.*

Tare 10 interview Fancy Facts

In hut 10 there are 5 fabulous girls each with unique, fun facts.

Marika likes to sing when she sleeps, feel free to give her your request at lunch time.

Danielle likes to draw pictures of weird animals, she charges \$10 per picture.

Teja keeps pet water balloons in their hut, and one of them is called Mr Squidgy.

Annika has big, red, heart-shaped sunglasses, she is going to set the new fashion trend.

And last but not least, Sandra is quiet as a mouse but always has a smile on her face.

If you want to find out more about these girls then give them a visit, they don't bite!
