Sõrve Archive

This 18th Century Estonian folk costume, has spent its life of over 100 years travelling the globe. It's owner journeyed from Estonia to England, to marry a English sailor and start a family. Together they travelled to Mexico and Africa, from where the dress followed their daughter, here, to Australia.

This dress is displayed alongside many Estonian handicrafts, which can be seen at the Library.

THE SSC (Sõrve Suurpäev Concert)

The Lineup

Eda-Ines Etti

Estonian pop sensation, Ines, is ditching her snow boots and beanie for a bikini and a boomerang, as she makes her debut at Sõrve. Since the year 2000, songstress Ines has been unstoppable, winning many awards, producing many albums and stealing our hearts with her soft, sweet melodies and drop dead gorgeous looks.

Ott Lepland

We're psyched to be welcoming 2009's winner of Eesti Otsib Superstaari (Estonian Idol) Ott Lepland to Sõrve this year. Ott has been quoted as an 'Estonian Robin Williams', and is a guitar strumming, lady loving super star. We'll definitely be waving our hands in the air for this Baltic heartthrob whose unmistakable voice will rock The SSC.

Indrek Raadik

Indrek Raadik, aka 'Summer', the former founder and lead singer of legen-(wait for it)-dary Esto punk band 'The Tuberkuloited', will be putting the summer in our fun this year at Sõrve. 'Summer' continues to perform solo, producing mind blowing beats which we hope will blast those damn cicadas out of their shells.

The Band

And of course, the band, who's impressive names will be taking our ears for the wildest ride of their life!

Erki Pärnoja – Guitar
Siim Mäesalu – Keyboards
Ivo Etti – Bass
Kristjan Kallas – Drums
Arch - Sound

So get your fan paraphernalia on, your booties ready to boogie and your singing voices warmed up for the SSC. And everyone, lets remember to be Clean and Green and Sunsmart in order to ensure a great day for all.

Gossip Tüdrukud

Hello Sõrve campers.

Keep your eye out for a blonde haired A-Group girl who is sporting a dark hickie on her neck. We wonder who the culprit is?

Rumour has it there's one boy who is looking to lock lips for the first time ever. He missed out at Eesti Päevad and is hoping to find a suitor here, this week, at camp.

There's also a new A-Group girl in town, who seems to be attracting quite a lot of male attention. Watch out boys, you don't want it to be your heart she breaks.

Until next time Sõrve,

xoxo Gossip Tüdrukud.

HAPPY BIRTHDAY
