## SUURPÄEV COMMEMORATIVE PHOTO SPECIAL

"This is our 50th year.

Over this time, many people have worked hard to make the camp a success; the parents' and friends' committees, numerous camp leadership teams, the various camp staff at Point Wolstoncroft and finally the Estonian community and the many Estonian organisations whose commitment to the camp has underwritten its viability. Ok Sõrve - let's party!"

- Lembit Suur

**And what a party it was!**

## Gossip Tüdrukud

Hello Sörve campers.

You'll be glad to hear, that despite a busy day of festivities, gossip continues to thrive.

Word has it, an old flame has been reignited within the Juhid. The pair were seen canoodling late last night. But don't you two worry, we aren't naming names, just remember some walls have eyes.

Bad news for the B Group boys. It seems that the B Group girls are not impressed with your 'talent'. Perhaps an act of chivalry is in order?

And now we are sad to say, the Juhid and being out-done by the Blue Village, who are currently throwing bigger and better parties. It seems you Juhid need to pick up your game, and stay awake past the PM.

Until next time Sörve,

xoxo Gossip Tüdrukud
