## OVP, A-Grupp vs Leaders & a Circus, What a day!!

Omavalitsus päev leaders: Rhys Maidla, Toomas Mirlieb, Ella Ranniko, Alexis Payne, Katrin Tamm, Aili Adamson, Patrick Cavanagh, Simone Proctor, Eliza Matas, Arne Rodgers, Aimi Kurvits-Clark & Evan Pank.

Waking up early to find yourself back in time, in the medieval ages, was just the beginning of an exciting and eventful OVP.

As the A-, B- and C- Groupers searched through baked beans, struggled to entertain the royalty and face grueling challenges, we were all wondering who would find the Lord God's crown.

In what was a climatic end to the event, C-Group prevailed: tackling a weak Jester to the ground and leaving him for dead.

Thank you to those who suffered from a chaotic night of planning and a lack of sleep.

Everyone involved ensured it was a truly memorable OVP.

# Normality Restored At Sörve!!!

Annual A-Grupp vs Juhid sports match results in a convincing 1 - 0 win to the leaders

After last year's unexpected Laptu loss, the juhid were more than keen to redeem themselves by beating A-Group in a game of Rahvastapall. Tensions were high, as the drawn out Rahvastapall game went back and forth. However the leaders faced a scare, as the A-Groupers put up a strong throw and a strong fight. But in the end, the juhid defeated the high-on-adrenaline A-Groupers, 1-0 (respectively).

Special props to Vaino (for defying gravity), Indrek (for leading the Juhid to victory), Rhys (for making a commitment to A-Group) and Russell (for his concise and precise refereeing).

Good luck to you next year A-Groupers.

BOOM!!

Shame the group huddles didn't pay off.

That winning feeling

## Annual Sörve Eating Competition:

David Kass defeated Arne Rodgers in an Ice-Cream Sandwich Off. Stay tuned for more gastronomical explosions

## Riddle me this...

Two fathers and two sons went fishing one day. They were there the whole day and only caught three fish. One father said "That is enough for all of us. We will have one each." How can this be possible?

Optical Illusion: which of the two vertical lines is longer?

Yesterday's answer: Three

## Sõrvebets

Ülevatus results:

! \$1.09 That a girls' Tare will christen the new boat at the end of the week.

! \$10 That a boys Tare will christen the new boat at the end of the week.

! If you want to see a return on your bets, don't miss the opportunity to bet on a girls' Tare to win. However, you should never trust the underdogs - come on boys and show your true cleaning abilities.

! Checker Grandfinal:

! \$1.56 Annika to take home the win.

! \$1.67 Mantas to take home the win.

! After a day to recover for both competitors, Mantas has seen a massive increase in popularity, bringing the odds to nearly level pegging. Do people really believe Mantas actually has a chance?

## Gossip Tüdrukud

Hello Sörve campers,

Now we all know that during this week at camp, the majority of us find ourselves low on spare time. As a result of this, personal hygiene and general appearance maintenance suffer. It seems, that a number of you girls need to shave... your faces, and you boys, NEED to shower.

We also spied some funny business at the Circus' Musi Nurk last night. When most eyes were turned, there were a few 'slips of the tongue'. Talk about PDA, naughty.

To finish, as you read this and (hopefully) as you are digging into a meal at the Söögisal, you should know that yesterday a fellow camper had a close call with a caterpillar calling her salad "home" - at least we know the lettuce is fresh.

Until next time Sörve,

xoxo Gossip Tüdrukud
